

Diversity Health Fair

"Cancer Prevention & Early Detection"

Friday, March 16, 2012 - 9:30am - 3:00pm
Vernon Recreation Centre, 3310 37th Avenue

Dr. Art Hister

Dr. Art Hister graduated from McGill University in Montreal, Canada, in 1970. In 1971 he moved across the country to Vancouver to become the first full-time physician with the Pine Free Clinic, the first Canadian clinic established to deal exclusively with transient youth. Dr. Hister left the Pine Free Clinic in 1977 to enter private practice.

In 1991, Dr. Hister became a full-time media doctor. Dr. Hister has been a correspondent for CBC Newsworld and BBC Radio 5 and is currently a daily health analyst on the Morning News on Global TV in BC and for CKNW Newstalk Radio's The Morning News with Philip Till, a weekly contributor to Global TV's Thursday Noon News and Saturday Weekend News, as well as the host and writer of A Medical Minute with Dr. Art Hister heard daily on CKNW Newstalk Radio.
